

FLOROGEN

CITRUS, FRANGIPANI, LAVENDER, ORIGINAL & STRAWBERRY CONCENTRATED AIR FRESHENER

BENEFITS:

- Long lasting deodorisation
- Kills 99.9% of bacteria
- Hospital strength odour control

The FLOROGEN range of concentrated alcohol air fresheners can be used as space or surface deodorisers for extremely long lasting performance. FLOROGEN removes unwanted odours and increases hygiene in the immediate area of use.

For long lasting deodorisation in bathroom areas use FLOROGEN behind toilets and under sinks. It can be used behind desks and furniture and sprayed into waste bins after cleaning.

The Florogen air freshener range is available in two pack sizes, 5L and 500mL, with five great fragrances – Original, Lavender, Frangipani, Strawberry and Citrus.

DIRECTIONS FOR USE

Use neat.

The FLOROGEN range may be used as a space deodorant or as a surface deodorant for extremely long lasting 24 hour deodorisation. Florogen can be sprayed in toilet areas, under sinks, behind furniture and into waste bins after cleaning. Avoid direct inhalation of spray mist.

NOTE: Avoid inhalation when using atomised spray. To avoid inhaling mist, spray directly onto a surface rather than into air. (e.g. spray behind doors, in corners or under benches).

SAFETY DATA: Information is listed in the Safety Data Sheet.

HEALTH AND SAFETY STATEMENT:

There is no way of predicting an individual's response to cleaning or disinfecting products. All cleaning and disinfecting products have potential to cause skin and other irritation in susceptible individuals. Direct physical contact with the skin should be avoided. If irritation does occur when using this product or any other cleaning/disinfecting solution then the individual should be removed from direct contact with the solution until a satisfactory safe working environment for that individual is determined.

ENVIRONMENTAL STATEMENT:

Whiteley manufactures products that comply with Australian and International environmental policies. Whiteley aims to ensure that every product is 100% biodegradable, whilst achieving optimal performance and benefit to customers. All Whiteley products are supplied in 100% recyclable containers.

Whiteley and its staff are fully committed to ensuring that our Australian environment and those international environs in which our products are used are enhanced by the use of technology, and that these environments are preserved for the enjoyment of future generations.
